

# No More Baby Stuff To Get Your Way

## First Grade

Working hard, or at least trying to, the 1st grade attempts to work on the hard math problems.

L-R: Gordon, Brett, Mrs. Ruth, Lori, Chris, Rachel, Natalie, David, Amber, Pam, Brandon.

When asked what they liked about first grade, Amber said that she gets to play longer while Gordon likes the bigger desks.

Rachel says she learns more but doesn't like more homework. Everyone enjoys receiving stickers when they do good work. All in all the class enjoys being first graders.
