

We Like The Way We Do It

Fifth Grade

L-R: Kristen, Adam, Mrs. Hawkins, Chris, Leanne, Daniel, Heather, Kara, Norman.

The 5th grade enjoyed many activities. They liked having Mrs. Hawkins as their teacher because they didn't have any homework on the weekends.

Heather, Kara, and Daniel liked recess while Leanne enjoyed going to the library.

"I told you to turn around and listen," stated Mrs. Hawkins.
