

"I know I'm going to make good," exclaims Jeremy!"

The eighth grade population of 10 feels that some of the rules should be changed. "I don't like the rule against physical affection on school grounds," states Calin. Heather, Stacey, and Calin feel that the dress code should be changed. John, Jeremy and William says they are not too crazy about the rule of no gum.

When asked what their favorite subjects are, John and William re-

plied, "Algebra." Calin, whom everyone voted as one of the biggest trouble makers in class, said that his favorite class is recess. Stacey likes science.

After school activities for Calin, Jason, and William are deer hunting and fishing. Heather and Barbie talk on the phone and do homework.

The whole class agrees that their favorite teacher is Mrs. Evelyn.
