

Sophomore Control

I wonder what Tiffany is up to now???

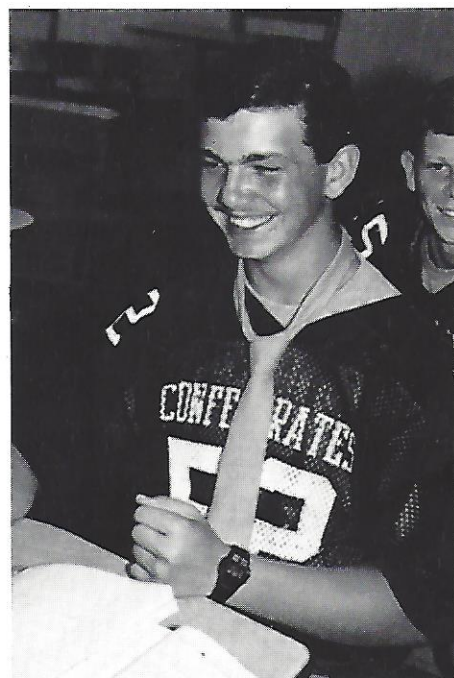

"The best thing about being a sophomore is by far the fact that 'we' only have two years left before we graduate," states Jonathan. Joy says, "We have a better chance to look into college activities and we receive our night driver's license." Sophomore Amy Waltz exclaims, "We get to go to the prom!" "One advantage of being a sophomore is the fact that we get to take a foreign language," says Emily. "Hasta Mañana."

Elizabeth states that our sophomore year is the last year before we have to start selling doughnuts and fruit. "One great advantage of being a sophomore is that now all of us get to do more. We're more involved in activities both inside and outside of school," states Tiffany. In closing, being a sophomore has many advantages, rewards and new responsibilities. How we handle these new experiences is entirely up to each one of us as individuals.
