It brought me great joy being able to carry out the tradition of putting out the Jacksonian year-book. This year the theme's is "Have It Your Way!" So I hope you enjoy and have it your way. A special thanks goes out to my co-editor Jennifer, my advisor Mrs. Lenore, and to all of those who put time and effort toward this book. I don't know what I would have done without all of them. Once again, Thanks for all of your help!
