

“Tonight Is Forever”

For the prom of the spring of 1992 the Junior class chose the theme, “Tonight Is Forever.” Once you stepped inside the gym, you would never imagine it being as beautiful as it was. However, hard work with putting the prom set up turned the gym into some romantic palace. The gym was decorated in black, purple, and gold. It was not the old gym prom night. The students danced the night away to the songs that the band played and have the memory of that night that is forever.

Mrs. Marsha Hughes, Junior class sponsor, gives Kristi Sease a hug after receiving a gift from her class.

Some of the girls join on the stage with the band to let everyone see their moves.
