

May Day 1992

May Day is always a good entertainment show for the parents of the students who take part in May Day. The traditional clowns and Maypole dancers did their performance. The grammar school acted out *The Three Little Pigs*. Their costumes were simple, a pig nose. The high school did an act about songs from the fifties and sixties to present day. There were a variety of songs that the celebrities sang. Elvis, the Pointer Sisters, and The Streak were there. That is only a few of the many famous singers that appeared at Club AJA.

Dean Williams shows us a few of his moves as he sings at Club AJA.
