

# Some Kind Of Wonderful

## Miss AJA Pageant

On a fall night in November, a pageant took place. The contestants all looked beautiful. Even though it was raining outside, this did not keep the contestants dreary. Each girl walked out on stage and performed her best, including the "guys." The mistress of ceremonies was Miss Chasity Brandt. She did an excellent job. Entertainment was provided by Mrs. Carla Stewart. Mrs. Stewart sang for entertainment. The other entertainment was provided by the "guys" in the Mr.-Miss Contest. This was definitely a sight to see. Some guys actually do make a pretty girl when they get made up.
