

The J.V. Girls

Everybody gets their hands up quickly for the rebound.

It took me hours to learn how to dribble. Leanne Cone manages to handle the ball down the court.

Learning all about basketball is what the J.V. girls had their minds set to this year. The girls put forth the effort to make the best of this year. For most of the players, it was their first time playing basketball. They had a lot to learn from dribbling the ball to passing the ball. The girls never gave up in their games. They pulled together as a team and played as a team. These girls, I'm sure, learned a lot.
