

To My Dearest Stacy,

What a difference you've made in my life. As you venture out into the world, may you seek and find true happiness, and may the Lord be with you.

To Greta Claire Lightsey — "THE BEEP"

Having a daughter like you is the true meaning of love. With you to love, our lives are completely fulfilled. We were willing to accept less, but you always gave us more. We hope that as parents we gave you as much as you gave as a daughter. You are the sunshine and the joy of our lives.

We love you!  
Moma and Daddy
