The 1994 Lady Confederate Softball Team consisted of seventeen players. Many of them were new members of the team. **Coach Mike Hutto** came back to help us defend our State Championship title. Even though we didn't make it to the

play-offs, all of the hard work had been worth all the effort.

Many new positions had to be filled because of losing graduating seniors. All of the players tried out for the pitching position, but only **Camile Bishop** and **Joy Ackerman** made it

to the mound. Many home runs and line drives were hit because everyone's hitting skills had improved. Whether we won or lost, we had fun playing *the game!*

1994 Softball Team: (L-R) Mary Beth Willis, Denise Duncan, Stacy Fisk, Suzanne Fogle. (2nd) Christy Jones, Kara Hiers, Tracy Jones, Rebecca Beard, Susan Davis, Barbie Kinard, Angel Brandt. (3rd) Ginny Walling, Camile Bishop, Tiffany Harrell, Emily Cummings, Amy Waltz, Joy Ackerman and Coach Mike Hutto.

Christy Jones puts forth her all in trying to catch the ball as it enters right field. Her efforts paid off!

Is this unsportsmanlike conduct? No. It's just a little fun between **Camile Bishop** and **Christy Jones**.
