

Teachers at AJA are more than just teachers to the students. They are also role models. The teachers are often looked upon to answer many questions about school subjects and different situations. They each understand that every minute does count in each of the students lives. The education they have given us will better prepare us for our future. Thanks to each of you for your extra time and effort.

Mrs. Tammy Wade stays busy in the second and third grade because she has the awesome duty of a combined class.

Mrs. Ruth Frye instructs a first grade student in her math book.

A new addition to the faculty is **Frank Dickson** who is Athletic Director, coach and disciplinarian.

Mrs. Anne Daniels has assumed the duties of librarian. She also teaches typing and computer.
