Who said fourth grade is fun and games? Just let them observe our class for ONE day!

Mrs. Horton keeps us pretty busy with all the subjects we have to learn. However, we do find time to break loose once in a while and enjoy ourselves with fourth grade pranks!

Our class has enjoyed the new GeoSafari electronic game this year. The grammar school classes take turns using it and we look forward to our week.

We hope we will be able to learn how to use the computer very soon. We will have lots of fun and games then!

Gordon Nipper, Pam Still and **Shane Burnette** are eager to begin their day of "fun and games!"

Danielle Riddle, Lori Varnadoe and a very concerned **Natalie Gordon** are prepared to take part in the day's lessons.
