

Suzanne,

It seems like it was only yesterday that we held you in our arms and kissed you for the very first time. At that same moment we knew God had surely blessed us with a beautiful little angel. Over the years, from nursery rhymes to term papers, you have brought us only joy and happiness. As we cut loose the apron strings and let you follow your dreams, we wish you only the best which you so richly deserve.

Love,
Mom and Dad

Marica,

We are very proud of you and know that you will excel in the future. We love you and will always be here for you.

Love,
Dad, Mom, Holly and Man
