Grammar School May Queen
Kendall Carter

Part of the lovely May Court surrounds the Queens and their escorts.

The May Day program at AJA is an annual event sponsored by the PTO. The theme for 1995, was, "The Magic In Me."

The grammar school students performed their acts well. The faculty did a super job preparing them for the program.

The Kindergarten Class pleases the crowd every year ... even if they might "mess up" a little.

This spring event is one to remember.
