

May Day 1996

Cinderella was played by **Cassie Loadholt** and the fairy god-mother was **Leslie McDonald**.

Can you name this cast of characters? It's easy to recognize **Rhett Willis** as the Tin Man.

Look at this handsome group of young M-E-N! Any one of them would make a good dance partner.

May Day 1996 at Andrew Jackson Academy was as spectacular as ever. The grammar school classes entertained the queens, court and guests by performing skits and songs. The traditional May Pole Dance and the Kindergarten Clown were enjoyed by the audience.

The PTO appreciates the support of the faculty, students and parents to make this event one looked forward to and enjoyed by all.

Pretty **Ashley Price** performed her role as Dorothy in the Wizard of Oz.
