

Angela,

You have brought so much joy and pride to our lives from the moment we found out God was going to bless us with a child. You have kept us "young and active!"

We know you will achieve whatever you set as your goals if you have the desire and if you will let Jesus Christ lead you. He will never disappoint you or desert you. Stay close to Him.

As you step out into the world, you may stumble and make mistakes, but we will always love you and be proud of you. You are our "angel" sent special from God.
