

Kris,

God gave us a special blessing when you came into our family. You were always laughing and smiling and still so today. What a wonderful young man you have become. You are our bright and shining star. We love you and are so very proud of you. Let God direct your paths always.

**Love,
Mom & Dad**

To my little baby brother,

During our childhood, you always took pleasure in making my life miserable. But now that you are older, you are more than a brother, you are a friend. I will always love you, Klee Klee.

**Your sister,
Suzanne**

Kris,

We are very proud of your achievements in academics, your work and your perseverance to play football even after your terrible injury. We know you will go far and wish you only the best in life. We love you and remember you will always be our little Duff.

**Love,
Granny & Granddaddy**
