

Kayce Hutto, Trisha Walker and others enjoy their time together at lunch.

Trisha Walker wants to learn all she can to prepare her for seventh grade!

Mr. Mixson chats with fellow teachers comparing notes on happenings in the classroom.

Students enjoy Mr. Mixson's classroom but are eagerly looking forward to moving to the high school end of the building next year.

Vivacious Sixth Grade

Mr. Mixson handles vivacious sixth graders with ease.

Vivacious - wild -n- furious, just a few ways to describe the sixth graders. Kayce is very talkative but Sam and Cory are the class clowns. They enjoy math and science, lunch time and PIZZA.

Sam and Scarlett are the most athletic. Scarlett is the 2004 May Queen with Nick as her escort. Megan is Maid-of-Honor and Kayce in the attendant. Sam is also the smartest. Away from

school the girls enjoy shopping and the boys like to hunt. They all enjoy watching TV. Girls like to watch "Degrassi" and the boys watch hunting shows.
