

Travis Martin wants to know who has the kick ball.

# Energetic Fourth Grade

This year Mrs. Horton has her hands full with this energetic class. Everyone agrees that recess and 3:05 are their favorite times of the day. Favorite subjects are science and social studies. The class clown is Travis S.; most talkative is Travis M.; and quietest is Ryan.

During their free time from school they like to ride 4-wheelers, farm, and fish. Ryan plans to go to Washington, DC this summer. Aaron wants to watch TV. Molly is going swimming. Laura wants to play basketball and softball. Travis M. and Nelson plan to ride 4-wheelers and fish.

*Mrs. Horton wants all her energetic students to excell and encourages learning that multiplication table!*

"We have a lot of fun when Mrs. Horton leaves the class," says Molly, Ryan, and Laura.
