

Taylor Bailey enjoys her corn dog for lunch. Lunch and recess are favorite times of the day for any young lady.

The third graders welcomed Hannah Platt to their class this year. Hannah loves her new teacher and friends.

Everyone enjoys swinging at recess and Leslie Davenport is no exception. Who wants to go next?

The gang's all here. The third graders stick together and are eager to learn each day.

Eager Third Graders

Mrs. Way looks forward to her eager class each day.

Mrs. Way's third grade class consists of nine bright, lively and eager students. Hannah and Justin are new additions this year. They enjoy TV shows like "Animal Planet," "Saddle Club," and "Horse Sense." Their favorite food is PIZZA.

They like lunch and recess time best. Justin is the class clown although he denies it with a grin. They have great plans for the future: Hannah - horse trainer; Matthew - farmer; Taylor - artist; Leslie - ice skater; Katherine - jockey; Brooke - teacher.

All of the students love Mrs. Way and they want everyone to know that she is a great teacher! Get ready, fourth grade, here we come!
