

Challenging First Grade

*Mrs. Lois
accepts the
challenge
with joy*

Mrs. Lois has had her hands full this year with twelve eager students. The ten girls have given the two boys quite a rough time! Although Mrs. Lois is always busy she still has time to love each student.

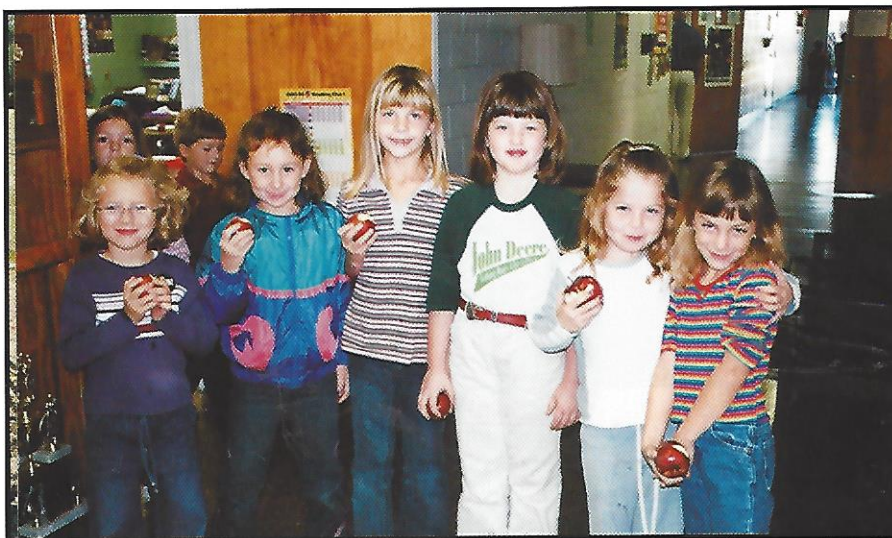

The class is always ready to do reading and math no matter what time of the day. At recess their favorite games to play are tag and Monkey in the Middle. Their favorite time of the day is lunch time and they like to eat hot dogs or pizza.

When homework is finished they like to rest and watch Rugrats. They like to eat at Pizza Hut or have a burger on the weekends. They are not only smart in school work but they like to eat healthy foods like veggies and watermelons.

These pretty first grade girls enjoy spending time with each other at recess on the playground. Tyler Dantzler joins them for play.

Ashton Sweatman sits on the steps of the slide before taking a ride. Who's next?

Girls, Girls, Girls! And just where are those handsome young boys. Do you think they are camera shy?
