

Mr.-Miss AJA 2004

Senior guys are to be recognized and appreciated for providing the best of entertainment at the annual Miss AJA Pageant. A great big THANKS.

These young men were great sports to participate in the pageant.

Lee Peters has a little tummy showing there. Do the judges approve?

Chris Hutto has a "lot" to boast about.

Robert Worrell is the winner of the crown. Lee Peters looks disappointed.

The judges are delighted to be judging these well-dressed "beauties"...it's such a tough job!

Randy Rentz is lovely in this leopard dress and matching accessories.

Robert Worrell gets his beauty from his mom. Doesn't he make a great winner?
