

Randy

You are and always have been very special to us. Remember we are there for you always and forever. You are a wonderful son and we are proud of everything you have done in life and everything you will do in the future. You have a great head on your shoulders and we hope you keep that quality about you and you will go far in life. Remember to take pride in yourself and what you do and you will make it in the future.

Love always and forever,  
Mom, Dad, and Justin
