

## IN MEMORY

With love we honor the memory of Mr. Marshall Kirkland. He was a great example of a true Confederate fan. He devoted a lot of his time to the AJA sports program.

### Marshall Kirkland Field

Mr. Marshall loved the athletes, especially the softball team. He always had a smile and made sure he spoke to everyone before leaving a game. He was a great role model and we truly miss him.

## DEDICATION

We dedicate the 2005 Jacksonian to you in appreciation for all you've done for us during the past six years. You've shown your AJA pride by supporting our school and encouraging students to do better. You always try to make us feel better when our day hasn't been the greatest. THANKS. We love you!
