

Sixth Grade

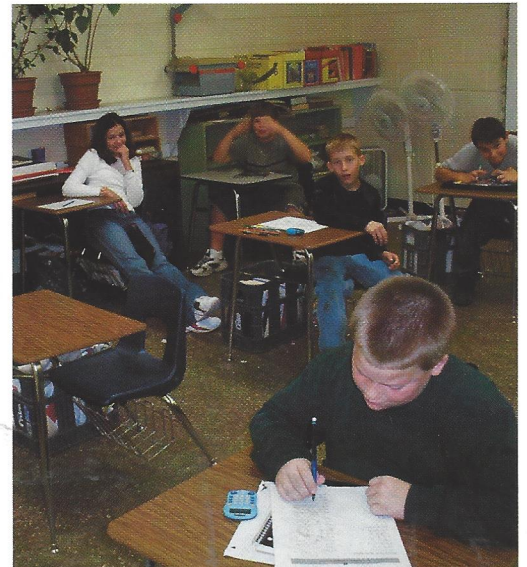

Who's that peeking over the shoulders of his classmates? We want you all in the picture.

Justin Long is quite excited he's doing well 'cause he wants to join his brother in high school next year!

Mr. Mixson doesn't want to retire as long as he has good classes like this! He hopes Miss Robin is molding him a good class for next year.

Justin Long loves the camera and doesn't mind being photographed at all. He looks very studious, don't you think?

Sixth graders are not always goofing off. Sometimes they actually work! Mr. Mixson sees to that.
