

Fifth Grade

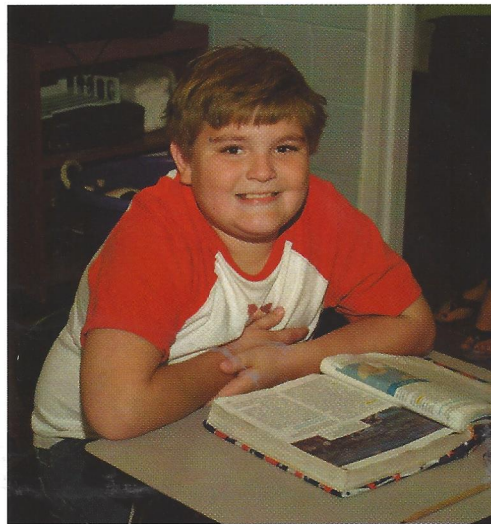

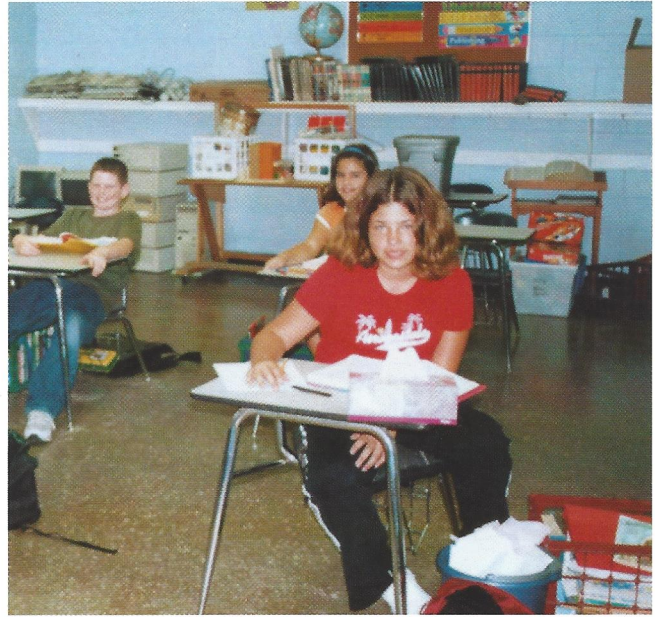

The fifth graders are fun and outgoing. Travis is the class clown and the most talkative. Their favorite time of the school day is recess! Weekends and free time are full of hunting, fishing, playing basketball, and playing video games. Their favorite subjects are social studies and science. They like to play freeze tag and other sports at recess. Their favorite food is Chinese. They all said that Ms. Robin (below) is fun and they enjoy her a lot!

Looking Forward To Sixth Grade

Laura Rentz loves sports but is at the top of the class!

Nelson, Laura, and Kirsten think social studies and science are great!

Ms. Robin works hard to keep the fifth graders interested in learning. They love her vitality and all the elementary students look forward to being in her class. Aaron Brickle is especially happy to be in fifth grade and has learned a lot of new things.

Kirsten Holmen loves being at AJA and enjoys her fifth grade classmates.
