

Two boys and two girls make up the first grade. They enjoy Mrs. Fulmer and all her attention!

Riley Ackerman seems a little shocked to have his picture taken while he is in Ms. Fulmer's class. He is new to the first grade and seems to enjoy being in a small class at AJA.

The first grade and Mrs. Fulmer always "dress" for the occasion on Thanksgiving. Pilgrims and Indians enjoy the day and prepare a big bowl of ambrosia to enjoy.
