

**Philip,**

It is hard to believe that you are a senior. We still think of you as the little boy who cried at the end of "All Dogs Go To Heaven." Most people would find that hard to believe because they don't take the time to see the real you. We are proud of who you are because you don't mind taking a stand for what is right and wrong. You don't need to be like anyone else. It's your individuality that makes you so unique. You are to be commended for your loyalty to family. It is a trait sorely missing among others. We love you, Philip.

**Love,  
Mom and Dad**
