

Working as a team makes it possible to advance to greater heights and win titles. AJA's softball team knows how to do it!

An Awesome Softball Season

Coaches Jimmy Still and Jeremy Gunnells had a challenging year with lots of new players having to learn the sport at hand. The team had a very successful year with the opportunity to head to the playoffs. AJA won the title of State Class A Runner-up for the 2005 season losing to Class AA Wardlaw. With only three team members graduating, the team anticipates winning the championship again in 2006.
