

Brittney,

We were very blessed the day you were born and have watched you grow into a beautiful young lady. Time has gone by so fast. It seems like yesterday you were starting Kindergarten. Always remember to reach for the stars and one day you will shine among them. As you move on to the next phase of your journey, strive to do your best, love with all your heart and always let God guide you.

We will always cherish those special memories as you graduate this year and always know how much we love our little girl. Congratulations on a job well done. We love you, Sweet-Heart!
