

Jeremy,

It seems like just yesterday we were preparing you for your first day of school. Where have the years gone? We can not believe you are graduating this year. We are very proud of you and all that you have achieved. We wish you great success in the future.

Love,
Dad and Mom

Congratulations and love to my little brother!

Just remember to live life to the fullest everyday and you will get far. If you ever need anything I will always be there no matter what! Whatever you do, just have FUN!
