

Daniel,

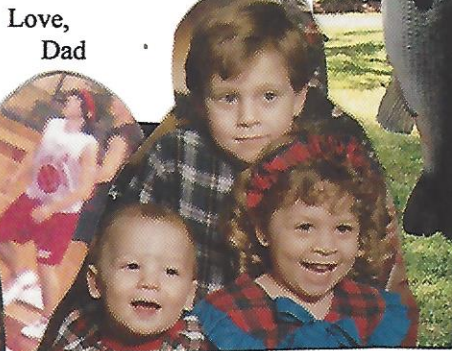

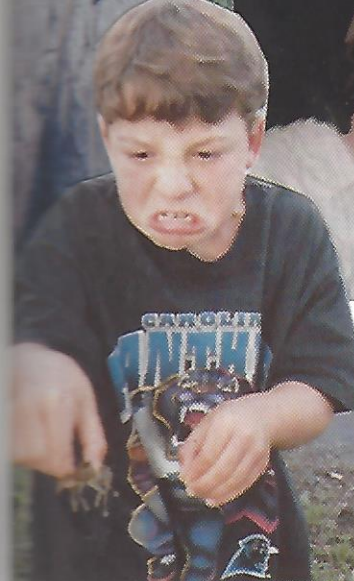

We thought it would take forever for this day to come but it snuck up on us. You have been such a blessing to us, you'll just never know. Looking back at how funny you were still makes us laugh. We are so proud of you. You've turned out to be such a wonderful young man with such good morals and standards for yourself. I hope you will always love God with the same zeal you have today. I know God has great plans for you. Always trust him and pray about everything. He truly will guide your steps. We love you so much D, and are so proud !!!!

All our love,
Mom and Dad

D-man I have had some kick'n times with you throughout your childhood. Mud runs, camping, high adventure, repelling, mountain climbing, bowling tournaments, stock car races and bon fires with caveman steaks. A father could not ask for a better son, I am very proud of you.

Love,
Dad

Hey D,

Just wanted to say I love you and am so proud of you. Always remember the important things in life and don't let the little things get you down. Never, ever forget the good times that we've had together and look forward to the good times still yet to come. So, all I have to say is "Rock on, I love you, and ciao for now."

Love,
Natasha
