In 10 years, I plan to either be in an Auto Body career or a professional photographer.

-Joshua Gray-

In ten years, I see myself married with two children, I hope to be helping people as a nurse at MJUSC.

-Chandler Hutson-

In 10 years from now, I know I will still be depending on God. He is in control of my life. I hope to have a happy, loving family. Whatever my choice, I hope to make a positive difference in people's lives. Nobody really knows where life will take them, but my goal is to find true happiness!
