

Victoria McCallister

Victoria,

Graduating High School - A milestone in life
You have waited so long for this!
As you get older & wiser you will wish
For these times again.
However, these times are over and you
Will be adding New Chapters to your life!!!
As your mom and I have always
Said "Play hard-have fun"!!!
Continue to be the person you are and
Continue to make us proud to call
You our "DAUGHTER"!!!!

We love you,
Mom & Dad
