

Taylor Priester

Taylor,
You were our "surprise" child! You have been a real joy to our family. You can always make us laugh with your goofy songs and dances. Stay the way you are and you will accomplish all your goals in life.

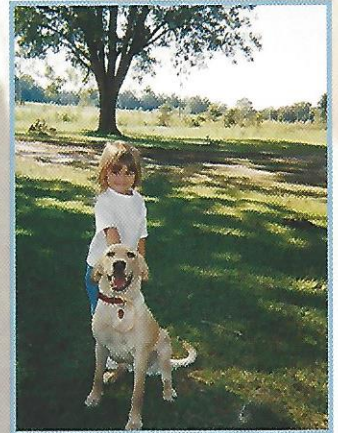

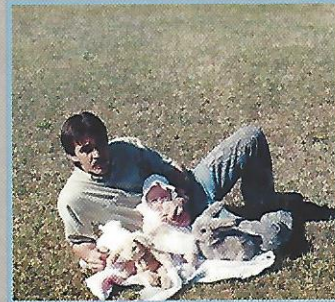

We love you,
Daddy, Momma, and Bradley

I know that whatever you choose to do in life you will give it your very best! I know this because the day you were born, God gave us his very best. Nowhere in the Bible does God tell us life is easy. He does tell us that He will be there to help us through it. You have a family that loves and cares for you very much, and will always be here for you. It is time for your to start a new phase of your life. Do it well Jessica!

I love you,
Daddy

Little Big Sister,
You have always been and will always be my baby. I've watched you grow since you were just a wee little girl and now you've become a beautiful young woman. I want you to know that I'm proud of everything you've accomplished so far and I stand behind you in everything you chose to do in the future. Always follow your heart and hold fast to your dreams. I know that you will succeed in anything that you set your mind to. I love you with all my heart and I'm proud to call you my sister.

Love,
big Little Sister
Nicole
