

Jake Sease

Jake,

It's impossible for us to say everything we feel in just a paragraph. We've watched you go from being an adorable, loveable and giggly baby boy to an honest, responsible, caring young man. With those characteristics, we have no doubt you will succeed in whatever you decide to do. Keep in mind, that no matter where life takes you always be true to who you are and know that we are proud of you.

We love you,
Mom and Dad
