

Mari Sutton

It seems like only yesterday we were leaving a scared, crying 5 yr old with Mrs. Marie in K-5. Now we will watch you walk across the stage, and graduate from high school. It's a happy time for us as you begin another chapter in your life, but also sad because our little girl has grown into a beautiful young lady who will soon leave for college, and one day start a family of your own. You have been such a blessing to us your entire life, and you have always made us very proud. Always let God guide your life in everything you do, and he will see you through. You will always be our First Baby, and we will always be here for you!

We love you Mari!!
