

Gayle & Michael Mathias

Even though you are seven weeks and one day apart, you are our "twins". It was very rare to see one without the other as the pictures tell. We love you both, and are very proud of you. You have made us laugh, and we are sure you will continue to keep us entertained. We are all here to help you whenever you need it. Just ask. Keep God in your lives, and come home a lot.

Love,
Mom/Aunt Tammy
