

Mikayla Fogle

Mikayla,

It has been an honor to have you in our lives. You were our first, our "starter child." We were scared that we would somehow break you. Obviously, we did not. That is evident because of the strong, loyal, fierce, and brilliant young woman that we know you to be today. Always remember how much you are loved and you can do anything you make up your mind to do! Strive for excellence because my darling, you are worth it! Congratulations on your high school graduation.

Love,

Daddy, Mama & Natalie
