

Christian Lee

As much as you have learned from me as my son, I have learned twice as much being your father. You were my rock, my conscience, and always my friend through the hard times we have faced together. Your dedication and drive to be the best you can possibly be in anything you do is an inspiration to everyone around you. God laid out a path for you from birth. You were one of the few wise enough to follow it. Stay the course son and you will never fall short of your goals.

I love you my Little Bear. And couldn't be more proud...

"The greatness of a man is not how much wealth he acquires, but in his integrity and his ability to affect those around him positively." -Bob Marley
