

Santanna Michaela Templeton

It has been an honor to have you as our first born daughter. You have given us so much joy and happiness throughout the years as we've watched you mature into a beautiful Christian young lady. It seems like only yesterday that you were taking your first steps, but now you are taking your first steps into your future. As you start your new journey, always allow God to order your steps so that you will be in his divine will. Jeremiah 29:11 says "For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future."

Always reach for the Heavens and continue to let your light shine for Jesus Christ. We will always love you no matter where life takes you... Congratulations on All of Your Achievements! We love you!

Mom & Dad

Congratulations on all of your accomplishments. Life won't be the same without you next year. Hope you find a new shotgun rider at college. Thank you for being a great role model & not only a big sister, but a best friend. I love you.

Makenna

I love you more than you will ever know, even though I don't act like it. Thanks for all that you've done and especially for waking us up so that we'd be on time for school. You are a great Christian role model. You will do great at Anderson! Love you.

Brianna

I'm going to miss you and who's going to get me up next year? Even though we fuss, I still love you. Congratulations!
