Over the years we have been blessed with the pleasure of watching you grow from our precious little girl, into the beautiful young lady you are today. You fill our hearts with love and our lives with excitement. The future for you is as bright as that beautiful smile of yours, and no matter the challenges you face, we will always be by your side. Please know our love for you is never ending and you will continue to be our precious little girl. May God bless you and fill your heart with happiness.

Love Always,  
Nic & Mom

Congratulations on a job well done. I am so glad I was around to see you graduate and grow up to be a beautiful, accomplished and very well-rounded young woman. With your focus and determination, there is "No Mountain" you can't climb. A big, wonderful, world is out there for you. Go conquer it! I am so very proud of you. Grandma

Precious granddaughter, How can it be that our little angel, princess, pumpkin pie has already grown into a beautiful young woman, a junior in high school? Wasn't it just yesterday that we watched you breathe your first breath and cry your first cry? We have the best of memories of the beautiful little girl who stole our hearts and amazed us and entertained us with her beauty and her brains, her creativity and constant wit. I know the future will be of your choosing and know that anything you decide to pursue will unfold for you just as it should. Always stay focused on the goals you set for yourself and know that your family is always behind you. We will soon watch you accept your diploma and move forward in whatever directions you are drawn and we ask for God's blessings on you, every step of the way. You have been one of our greatest blessings and we love you more than you will ever know! MaaMaa and PaPa
