

# SUPERINTENDENT'S MESSAGE

You will note that in the pattern of life there is inevitably some bitter to go along with the sweet. Truly the bitter makes the sweet sweeter. My challenge to you, then, the students of Bells High School, is to accept your sweet of life without pride or boastfulness and your bitter without a frown.

Be brave, be strong, and always make it a point to be in favor with God and your fellow man.

E. H. Roberts, Superintendent
