

Dedication

Mrs. Roberts, three years ago you came into our lives here at Bells. In this time you have made a place in our hearts that will never be replaced. We have seen you carry more than your share of the load.

For your leadership, your splendid teaching, and your personality, we humbly dedicate this annual, upon which you have worked so faithfully, to you. It is such a small way to try and say thank you for all you have done for us.

*Best of Luck Always!
Dorothy Roberts*
