

The Green and Gold Review

YOUR SHINING FUTURE

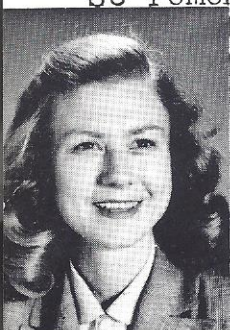

Webster says future means that which is to be or come about hereafter. With this definition in

YOUR MOST VALUABLE POSSESSION

A minute wasted is gone forever and can not be replaced. A minute put to use is an accomplishment.

So remember, students of Bells, set a goal for your future, work hard, and move steadily toward maintaining it. This is especially uppermost in the minds of seniors. We know that now is the time. As these next few days and weeks pass, keep the future in mind. Bright and shining there be-
