Bells Student Council is composed of four executive officers and the presidents from each home room. The aim of the student council is to maintain a close relationship between students and faculty while striving to encourage and promote the best ideals for the students. It furnishes training in character, leadership, and the democratic way of life.

Here at Bells this council carries on elections, conducts assemblies,

advises clubs, promotes worthwhile projects for the school, and sponsors the Student Court.

Each year the council sponsors the Miss Bells High Contest. Funds from this event help to send council members to workshops and meetings.

Under the leadership of Mr. R. E. Hampton, Advisor, and Terry Ulmer, President, the Bells High School Student Council provides practice in using the democratic rules of government.
