

STUDENT COUNCIL

The Student Council of Bells High School is composed of four executive officers and the presidents from each home room. They strive together to make Bells a better school.

The aims of the Student Council are to establish a democratic student government, to install the high ideals of good citizenship, and to provide for the general improvement of the school. It also furnishes training in character leadership, and the democratic way of life.

Each year they sponsor the Bells High Contest and the Miss Bells Junior High Contest. Each and every member looks forward to the event, because it is one of the most exciting events of the year. Funds from this event are used to build the scholarship fund, and to send council members to workshops and meetings.
