

THE BELLS CHAPTER OF THE FFA

PARTICIPATE IN FIELD TRIPS

The Bells Chapter of the FFA has been very active. The FFA stresses leadership and co-operation among its members. The chapter and several individuals have won several awards in these areas. For the second year in a row the Bells chapter has won the State Chapter Award. It also received the District Forestry Award. Freddie Waltz was elected as State Sentinel. He also won the District Public Speaker Award and the District's Most Outstanding Future Farmer Award. Wayne Ackerman, an associate member, received an American Farmer Degree. Jimmy Preacher, Freddie Waltz, and Freddie Paschal each received State Farmer Degrees. We should be proud of our chapter's success.
