

# MUSIC AND P. E.

Mr. Mackintosh listens with a critical ear as Gail plays a difficult piece.

The music department is made up of those students who are talented and take private music lessons from Mr. Mackintosh. Physical education emphasizes participation. Bells High students participate in sports of all kinds. P.E. keeps the students physically fit.

In P. E., the girls learn to participate as a team.

Basketball is a favorite in the P.E. class.
